

QAA Certified Campus

# PROSPECTUS-2023

Affiliated to Tribhuvan University  
**Koteshwor**  
**MULTIPLE CAMPUS**  
Accredited by University Grants Commission (UGC) Nepal, 2023

## Message from Chairperson

Namaskar,

I am very much pleased to extend my warm welcome to students aspiring bright future through quality education and motivation to be positive, purposeful, generous and committed to serving society and nation in Koteshwor Multiple Campus. Campus family is committed to ensuring that students learn and benefit from opportunities for further enhancement. It is our culture and tradition which highly value education as "Education is the most powerful weapon which you can use to change the world" stated by Nelson Mandela. Faculty of this campus is committed to providing quality education and other guidance that supports making students competent, capable and effective.

I would like to extend my sincere gratitude to all students, teachers, guardians, experts and my colleagues of the Campus Management Committee (CMC) members who contributed in making this campus a notable educational institution committed to imparting practical and relevant knowledge. I am pleased to share good news that campus is expected to receive quality assurance and accreditation (QAA) soon. It will substantially contribute in raising educational standard by enhancing credibility.

**Ram Babu Nepal**

Chairperson

Campus Management Committee

# Message from Campus Chief

It gives me immense pleasure and pride to highlight that Koteshwor Multiple Campus (KMC) has become the Quality Assurance and Accreditation (QAA) institution certified by the University Grants Commission, Nepal (UGC- Nepal). The certificate award ceremony was held in conference hall of the UGC-Nepal on August 15, 2023. As campus has been successful to receive this prestigious certificate, it has ensured the sustainable management and development of academic and administrative wings of our campus and has accelerated its excellence by assessing its performance.

Along with its accreditation, we have responsibilities to gear up the requirements that the campus has met for QAA certification, such as statutory requirements, professional obligations, stakeholders' expectations, internal and external confidence and accountability for development. Regarding these issues, campus is committed to sustain and enhance the quality by similar supports from its stakeholders which were reflected in unprecedented way from its inception to quality assurance.

KMC strives to develop its academic programs to demonstrate a unique blend of needs expressed by the community and futuristic orientation. For this, our faculty, staff and students are committed to working towards accomplishing the vision and mission of campus through their engagement in research and learning. Likewise, our focus is to promote change- seeking participatory pedagogies that enable faculty and students to reflect, critique, and envision their praxis as educational change agents.

As a campus chief of the accredited campus, I am delighted to have you in our vibrant community. Our campus is a place where students are encouraged to explore their passions, expand their horizons, and create lasting memories. We promise to provide a nurturing and inclusive environment that fosters academic excellence, personal growth, and holistic development by rendering quality education with a team of management and dedicated, committed, experienced, expert faculties and staff.

A new milestone has been added in the history of Koteshwor Multiple Campus on August 15, 2023, when the campus was accredited by fulfilling all the criteria of quality assurance. As the campus chief of KMC, I am very thankful to all my predecessors, stakeholders (campus assembly, campus management committee, different committees, faculty, staff, students, guardians, local community etc.) for their contribution to the campus.

Thank You

**Govinda Bahadur Karki**  
Campus Chief

# Introduction

Established in 2047, Koteswori Multiple Campus (KMC) is located in Jadibuti, Kathmandu -32, Nepal. KMC is one of the leading community campuses in the nation providing a challenging, flexible and individual learning experience. In the last 34 years of its history, KMC has set several landmarks in educational history. Granting institutional accreditation by UGC - Nepal is the latest example of its success. KMC works with an institutional aim of becoming the center of academic excellence in the country. KMC not only believes in imparting quality education but also focuses on preparing competent citizens ready to face challenges in the future.

Our pedagogy relies on case studies, presentations, group discussions, seminars, workshops, field visits, guest lectures, surveys and others. Learning management system is linked with ICT. Students will be encouraged to develop their personal leadership styles, and will be provided with ample opportunities to interact with faculty and practitioners alike.

To materialize its vision and mission into reality, KMC pays its sincere attention on managing remedial classes for needy students to reach to the target of cent percent result. Concerned departments frequently analyze the result of students either of board or internal examination and submits the report to Internal Quality Assurance Committee (IQAC) . IQAC adopts an appropriate policies to solve the problems. KMC has prepared proper human resource development planning to fulfill the objectives of strategic planning. Conducting workshops and seminars are the routine jobs of campus. Similarly, annual plan of outreach and extension activities, facilities of online library, online journals, latest reference books, textbooks, periodicals, and newspapers, e- library system, audio library etc. are the facilities that students can enjoy for their academic advancement.

The placement cell of campus plays a crucial role in helping students secure their dream jobs. It provides valuable resources, training, and opportunities for students to improve their skills and knowledge, and connect them with the right companies to start their careers. For this sake, job placement cell has developed networks with related organizations. Alumni association is more effective than earlier and will be made most effective. Public information cell has been formed and has carried out its duties and responsibilities effectively to achieve the goal of organization. EMIS Networking has been strengthened ( EMIS connectivity with accounts, library, exam, administration and various departments). Campus has increased internet bandwidth to improve its speed and coverage. Data storage system is managed and it is sufficient.

# What KMC does continuously?

- Organizes curricular refresher programs periodically,
- Develops and practices non-credit courses based on their market significance. In the long run, KMC takes initiation to develop them as full courses under the autonomy scheme,
- Integrates teaching pedagogy with ICT on demand for blending the delivery of instruction,
- Increases the number of classrooms equipped with multimedia projectors and other related devices,
- Provides ICT based advanced training to faculty members on needs-based basis to encourage its use in classroom,
- Trains the teaching force on the use of Learning Management System (LMS) as a component of innovative teaching pedagogy.
- Provides Tribhuvan University Central Library's (TUCL's) online library accessible to more number of students.
- Provides soft skill trainings to the students on a regular basis.
- Continues to work on tracer study on an annual basis.
- Introduces psycho-social counselling system to the deserving students on regular basis.
- Plans to establish business incubation/ entrepreneurship center in the campus to develop students' pre-market skills.
- As the task of quality assurance is fulfilled, KMC begins its journey of quality enhancement and ultimately aims to become deemed university and run autonomous programs.

## Vision

**KMC** aims at establishing a model educational institution for the production of qualitative, skilled and responsible human resources.

## Mission

To achieve its Vision, KMC adopts the policies of managing well-equipped physical infrastructures, effective management with the assurance of good governance, proper mobilization of local means and resources, access and the proper management of the participation of concerned stakeholders in planning, formulation and implementation of plan and policies, imparting qualitative, time-tested and practical education through research based teaching pedagogy.

## Goals

**E**nriching access in qualitative education, fulfilling Well-equipped physical infrastructures and the assurance of good governance in all sectors for achieving sustainable development.

**P**romoting access in the participation of concerned stakeholders for the mobilization of local means and resources.

**E**xtending and amending the statute, regulation, bylaws, and directives, code of conduct and teaching-learning activities as per the necessity for the institutional development of Campus.

**C**onducting different activities of human resource development for career enhancement and employee motivation of teachers and staff.

## Objectives

- a. Developing physical infrastructures as per the need of campus.
- b. Maintaining effective, clear and smart administrative activities.
- c. Creating a time-tested educational environment.
- d. Maintaining hygienic, greenery, cleanliness and peaceful environment in Campus premises.
- e. Expanding interpersonal relationships among concerned stakeholders.
- f. Inspiring the donors and well-wishers for further contribution of institutional development.
- g. Proper mobilization of internal as well as external resources for the institutional development.
- h. Preparing time-tested and need-based plan and introduce it into effect.
- i. Adopting the measures to control the activities that cause the negative impacts on Campus.
- j. Managing advanced education management information system.
- k. Emphasis is given to manage additional educational programs vertically and horizontally.
- l. Managing properly the teaching-learning pedagogy, research-based education and record management system.
- m. Conducting seminars, trainings, workshops and other programs for the career development of teachers and staff.
- n. Creating Organizational values and norms for the overall quality management.

# Classroom

Spacious and ventilated classrooms.

# Hotel Management

In order to hold the practical classes of Hotel Management course, the college takes the students to different star hotels and training centres to fulfill the objectives of the course.

# Computer Lab

The college has set up a modern computer lab where students can enjoy free internet and email facilities. Some of the internet assignments will be based on internet so that students will be able to develop and sharpen their computer skills.

# Library/IT Lab

KMC believes that the practice of research for teachers and students as a social and experiential craft. The library as laboratory supports this practice through maker spaces, exhibition areas, lecture spaces, digital design studios, large-scale visualizations, and collaborative learning spaces. The idea of a lab also transcends the characteristics of a particular physical space or a set of tools to encourage an ethos of exploration and experimentation.

## Examination

KMC conducts two terminal examinations and a pre-board examination in an academic year. Pre-board examination is conducted right after the completion of the course. Students who are unable to pass the examination, need to appear and pass in re-examinations. Otherwise they will not be allowed for Board examination.

## Sick Room

Campus has established a Health, Safety and Environment Management Committee and Sick Room to provide basic health facilities to the students, teachers and other staff by providing first aid services. Three medical personnel are recruited as per the agreement to provide healthcare facilities. Beds and medicines in sick rooms are available. Campus sick room bay contains hand sanitizer and disinfectant surface wipes and a first aid cabinet containing equipment such as medicines, disposable gloves, dressings, bandages, etc.

## Human Resources

At KMC, we take pride in our dedicated and brilliant faculties that have excellent track record of academic success and experience. The team comprises of academicians, researchers, managers and entrepreneurs. Apart from being proficient academicians, the faculty members are successful leaders in their fields with commitment to the highest standards of education. The faculty members, due to their academic training, management expertise and advance research expertise, enjoy high reputation at national and international level.

Teachers Training Program

Dear Stakeholders,

KMC wouldn't be in the apex of prosperity without the persistent support and deep well wishes in its ups and even times from our stakeholders. KMC believes that tireless efforts, great commitment and devotion will access to the target. We believe that team dynamism creates a conducive environment to accelerate our task to reach the summit. No education will be completed without the realization of the life and the world and natural flora and fauna. Self-realization and self-confidence are the required things in human life. Brevity and nobility are the tools to develop altruistic nature of the students. Considering these as weapons to tackle in the society, KMC sincerely concerns to inculcate such manner in the minds of our students. We believe that students need no pressure, but environment. Thus, we create good environment for teaching learning activities. Besides quality education, we focus on curricular, co-curricular and extra-curricular activities to develop them as a skilled human resources. We have proved ourselves as a good craftsman to shape the raw mind of the students from unskilled to semi-skilled and ultimately to skilled human resources. Therefore, KMC is a big nursery where unshaped and raw minds will be transformed into matured and skilled brain from its good process.

**Mr. Suman Pokharel**  
Asst. Campus Chief

Dear all,

On behalf of Koteswor Multiple Campus I would like to welcome all the students who aspire to enroll in Koteswor Multiple Campus. As a pioneer academic institution, we impart quality education in an affordable fee. Being committed to our vision, mission and goal, we proved ourselves as a best quality centre in all round development of the students. What I believe about our effort is that we do not offer our students fish for their dish rather we train them not only the fishing technique but also the fish rearing technique. We enable our students to be academically sound, morally good and responsible to the family, society and the country. In KMC, students will be really indebted with dedicated, experienced and expert faculties, visionary managing committee and smart administrative procedures. KMC maintains its research based teaching pedagogy and presentation skills so as to handle all the practical situations in modern world. In this sense KMC is the best academic institution for higher studies.

**Mr. Dhiraj Budhathoki**  
Asst. Campus Chief

## Message of PUCTA, KMC Unit

Koteshwor Multiple Campus assures quality education while motivating and encouraging students. Being the President of the Teachers' Association in the campus I would like to extend my sincere gratitude to the students, teachers and guardians, colleagues of the campus for their continuous effort and dedication in helping the campus deliver quality education.

The campus was established with an aim to provide academic excellence and finest learning environment. We have successfully delivered it each year.

The Teachers' Association has been maintaining a harmonious relationship of the campus administration with the teachers through regular interaction, communication and coordination. This relationship, I hope, will be beneficial for imparting quality education where students can learn, participate and progress as they make lasting memories during their stay in the campus. The association is committed to improving the responsibilities of both the teachers and students while working together.

Education is the process of learning and gaining knowledge through teaching, learning and experiences. It helps to understand the world and develop skills for lifetime. With the quality education the campus has been providing since the last 33 years we see our students come out of the campus with flying colours.

To help the students learn and gain experience in the campus it is necessary to have a team spirit, dedication and commitment of the faculties and staffers. The Teachers' Association has been trying to maintain all these qualities to provide quality education to the students. I would like to thank all the colleagues for their immense support and coordination to deliver quality education.

In the dawn of this new academic year, I invite you to join our fraternity. I welcome you to join our mission to become the best educational hub and ensure that you will love what you will become at KMC. I look forward to have a good and memorable journey together with all you in this campus.

We believe in quality, affordability and employability and we have been delivering it since the last three decades. We help you unleash your capacity to succeed in your dreams.

This is a place for you.

# Message from Free Students' Union (FSU)

Koteshwor Multiple Campus, (KMC) an ideal academic institution, has been providing quality education according to demand of time. The students from various backgrounds have been benefitted academically. Free Students' Union (FSU) performs the role of stewards of social justice and promotes the free- exchange of ideas and perspectives that foster collective understanding. FSU cultivates opportunities that promote personal and professional growth through organization, activities and mentorship. Koteshwor Multiple Campus has established Job Placement Cell and since then FSU has been consistent in our efforts to provide a platform for mutual interaction and exchange between our students and the promising recruiters. Students are benefitted from different job providing organizations. We will accelerate this work in the days to come.

I am so pleased to highlight that Koteshwor Multiple Campus (KMC) has become the Quality Assurance and Accreditation (QAA) institution certified by the University Grants Commission, Nepal (UGC- Nepal). As a student of QAA certified campus, you can be benefitted from selecting program, participating in different activities, taking advantage of the opportunities and resources provided, and understanding your rights and responsibilities. Similarly, students will be benefitted from participating in surveys, feedback, self-evaluation, peer review, or accreditation can help to improve your learning experience and outcomes. Likewise, students will be entertained with scholarships, grants, internships, exchange programs, or online courses to expand your skills and competencies.

KMC FSU has been offering emergency interest free loan to the needy students and bears all treatment expenses in case students are sick, injured or other discomforts in campus premises. Another important identity of KMC FSU is that it is the first institution in Nepal which has declared campus as a "lock - out - free zone". No padlock will be held in campus in the name of fulfilling demands.

Any type of problems will be solved easily with table talk with the concerned authorities if we abandon hidden interests and undue extra influence. Speaking to the nutshell, we are very aware to represent students both within the institution and externally, including on local and national issues. We are also responsible for providing a variety of services to students.

Thank You

**Sanjay Budhathoki**  
Chairperson, FSU

## Message from Students' Quality Council (SQC)

Being the chairperson of SQC, It's my pride immense pleasure that we are the students of accredited campus. Firmly committed to academic excellence and opportunity, KMC engages students from diverse backgrounds in a student centric learning environment uniquely suited to produce successful human resources capable of facing the challenges of the 21<sup>st</sup> century. SQC believes that quality education means educating the three parts simultaneously i.e. Head, Heart and Hands. For this, we will cooperate with campus administration to provide equal importance to theoretical and practical aspect of learning. KMC SQC aims at developing leadership and managerial skills in the students and make them responsible citizens. SQC in Koteshwor Campus is responsible to organize all the extracurricular activities, monthly and weekly programs for the overall development of the students' personality. Similarly we are bridging the gap between the students and college management, and thereby creates a conducive environment for the highest standard of education.

Thank You  
**Mr. Rajan Kunwar**  
Chairperson

## Message from the Alumni Association

On behalf of the Alumni Association's executive committee of Koteshwor Multiple Campus (KMC) and as chairperson of Alumni Association, I welcome you to our QAA certified campus. One of our goals is to preserve a mutually beneficial, enduring relationship among alums and with the campus. We are constantly seeking meaningful ways to unite our meaningful efforts for the overall development of KMC.

I encourage you to actively participate in the activities organized by our alumni association which can provide career development, knowledge enrichment, and networking opportunities. You can contribute to the institute's growth in many ways. You are the brand ambassadors, frontline warriors, face of the institute to the corporate world. Your meaningful contribution to companies enhances the brand image of the campus. Whatever you take up, excel in that. You would be contributing to the image and growth of the campus.

I once again welcome you to connect, collaborate, communicate with your alma mater, and explore the possibilities offered by the Alumni.

Best wishes,  
**Mr. Narayan Parajuli**  
Chair, Alumni
