Result Analysis Report

Introduction

This report presents a comprehensive analysis of the examination results of Koteshwor Multiple Campus over three academic years: 2077 BS, 2078 BS, and 2079 BS. The analysis focuses on three faculties: Bachelor of Business Studies (BBS), Humanities, and Education. The report examines the trends in student performance, identifies key insights, and provides recommendations for improvement.

Examination Performance Overview

Year 2077 BS

- BBS Faculty: 2473 students appeared for the exam, and 597 students passed. The pass percentage was 24.14%.
- Humanities Faculty: 485 students appeared, and 180 students passed. The pass percentage was 37.11%.
- Education Faculty: 541 students appeared, and 183 students passed. The pass percentage was 33.83%.
- Overall Performance: The total number of students who appeared in the exams across all faculties was 3499, and 960 students passed, resulting in an overall pass percentage of 27.44%.

Year 2078 BS

- BBS Faculty: 1769 students appeared for the exam, and 388 students passed. The pass percentage was 21.94%.
- Humanities Faculty: 653 students appeared, and 197 students passed. The pass percentage was 30.17%.
- Education Faculty: 598 students appeared, and 275 students passed. The pass percentage was 45.99%.
- Overall Performance: The total number of students who appeared in the exams across all faculties was 3020, and 860 students passed, resulting in an overall pass percentage of 28.48%.

Year 2079 BS

- BBS Faculty: 1607 students appeared for the exam, and 459 students passed. The pass percentage was 28.57%.
- Humanities Faculty: 611 students appeared, and 169 students passed. The pass percentage was 27.66%.
- Education Faculty: 459 students appeared, and 223 students passed. The pass percentage was 48.58%.
- Overall Performance: The total number of students who appeared in the exams across all faculties was 2677, and 777 students passed, resulting in an overall pass percentage of 29.02%.

Key Findings and Trend Analysis

1. **Decline in Total Exam Appeared Students:**
    - The total number of students appearing for exams has decreased over the three years. In 2077, 3499 students appeared, which dropped to 3020 in 2078 and further to 2677 in 2079.
    - The decline in student participation could indicate a shift in enrollment patterns, changes in university policies, or student migration to other institutions.
2. **Fluctuations in Pass Percentage:**
    - The overall pass percentage slightly improved from 27.44% in 2077 to 28.48% in 2078 and then to 29.02% in 2079.
    - The pass percentage in BBS declined from 24.14% in 2077 to 21.94% in 2078 but improved significantly to 28.57% in 2079.
    - The Humanities faculty saw a decline in pass percentage from 37.11% in 2077 to 30.17% in 2078 and further to 27.66% in 2079.
    - The Education faculty showed remarkable improvement in pass percentage, increasing from 33.83% in 2077 to 45.99% in 2078 and then to 48.58% in 2079, indicating a strong upward trend.
3. **BBS Faculty Performance:**
    - BBS has the highest number of students appearing for exams each year but consistently shows a lower pass percentage compared to other faculties.
    - Despite an improvement in 2079, the pass rate in BBS remains a concern, requiring targeted interventions to improve student performance.
4. **Humanities Faculty Performance:**
    - The Humanities faculty had the highest pass percentage in 2077 (37.11%) but experienced a consistent decline in the following years.
    - A downward trend in results suggests the need for curriculum review, student engagement strategies, and academic support programs.
5. **Education Faculty Performance:**
    - The Education faculty has shown steady improvement in pass percentage, indicating effective teaching methodologies and student preparation strategies.
    - Further enhancement in academic resources can help sustain and improve this trend.

Conclusion

The three-year result analysis of Koteshwor Multiple Campus reveals a mixed trend in student performance. While the overall pass percentage has shown slight improvement, the decline in student participation raises concerns. The BBS faculty has faced challenges in maintaining a high pass percentage, whereas the Education faculty has shown significant improvement. The Humanities faculty, despite a good start in 2077, has seen a gradual decline in results. Addressing these issues through targeted academic interventions is essential for sustained improvement.

Recommendations

1. Strengthening Academic Support Programs:
    - Implement remedial classes and tutoring programs for students struggling with coursework.
    - Conduct regular mock exams and practice tests to enhance student preparedness.
2. Enhancing Faculty Development:
    - Provide training programs for faculty members on modern teaching methodologies.
    - Encourage faculty-student interaction to address individual learning needs.
3. Curriculum and Examination Review:
    - Revise course content to align with current academic and industry trends.
    - Analyze examination patterns to ensure fairness and consistency in assessment.
4. Student Counseling and Mentorship Programs:
    - Establish a dedicated student counseling unit to provide academic and psychological support.
    - Assign mentors to guide students throughout their academic journey.
5. Infrastructure and Resource Enhancement:
    - Improve library facilities and digital learning resources for better academic engagement.
    - Upgrade classroom technology to support interactive learning.

Actions for Improvement

- Conduct faculty workshops on innovative teaching techniques.
- Organize career counseling and motivational sessions for students.
- Increase student engagement through extracurricular academic activities.
- Regularly monitor and evaluate student performance to implement timely interventions.
